

Chevron Chandelier Earrings

These earrings are fun to make! As usual I love considering all the different ways you can personalize the design.

In this video you'll learn:

- How to use any multi-loop finding to create earrings with a chevron pattern
- How to adjust the chain to get the depth of shape you want
- A simple trick to make working with tiny links of chain easier

Tools and Materials:

- [chandelier earring findings](#)
- [3mm Czech fire polish beads](#), 10 each of 3 different colors
- [10 silver ball head pins](#)
- [10 4mm silver pumpkin beads](#)
- [10 3mm crystals](#)
- a few inches of silver chain
- 10 4mm jump rings
- 2 ear wires
- [round nose pliers](#)
- [chain nose pliers](#)
- [flat nose pliers](#)
