Dragonfly in Turquoise Necklace

In this video class you'll learn:

- How to alter metal findings to match the beads and finishes of your choosing
- The basics of bead stringing jewelry with crimps
- How to design a necklace around a choice focal and accent beads

Any Diana Gabaldon fans out there? *If so, you'll understand how I came up with the name of this necklace.*

Check out my YouTube video on Ranger Patinas to learn more about ways you can use them.
